Dear \_\_\_\_\_,

The Association for the Advancement of Deaf/ Hard-of-Hearing is a newly evolved nonprofit organization, driven by concerned parents of Deaf/ Hard-of-Hearing children, and our mission is to provide educational and occupational services to Deaf/ Hard-of-Hearing children and young adults. Our vision is to create better educational and occupational outcomes for them.

Unfortunately, since we are a newly involved organization, we have limited access to funds which are required to provide these services and resources. So, we're always looking for ways to find funding.

Currently, we're in the middle of planning our fundraiser event called 'Women and Wedges' and we're looking for new or gently used heels/ wedges and flat shoes, purses or handbags. Would you consider donating your new or gently items to help us with our mission?

We thank you in advance for your support! Your donation is greatly appreciated and will be used to help us continue to complete our mission. To make a donation and/ or join us on our mission, please contact one of the members below or email us at [aadhnonprofit@gmail.com](mailto:aadhnonprofit@gmail.com).
